# About Caddie Shack Restaurant

Caddie Shack Restaurant is locally-owned and operated in Casper, WY. The owners, Jeremiah Towers & Allan Keith, have a mission to create a restaurant that comes alive with smells and smiles. To create a meal for our guests that not only satisfies but a meal that is craved to have again. We at Caddie Shack aim to create a place of wonderful memories out of the everyday task of taking in a meal.

Our well rounded menu offers an American cuisine. We offer many of the classic menu items that are so hard to find in many of today's modern restaurants. We are proud to offer quality meats, a hearty salad mix (completely void of iceberg) and unique bread that will set all of our meals apart. Our hot-dogs have become the happy talk of those that have eaten them, and our salads are claimed to be the best that can be had. The unique atmosphere offered by the background of the Casper Municipal Golf Course fills the niche of offering a memorable place for a quiet, quality meal.
